Glencorrib N.S. Parental Permission Form

Each year, we ask your permission for your child to participate in certain activities. As a result of the recent Data Protection Act, we now have to keep all consent forms on file until your child reaches the age of 25. In order to cut down on unnecessary paperwork and simplify record-keeping, we will now be including as many permissions as possible on one sheet. Please read carefully each of the items below and tick the relevant box. Not all occasions may be relevant to your child this year but they may be at some stage in the future. If you have any concerns regarding any of the items below please feel free to contact the school.
