Photographs and updates from school life - Aladdin Frame

Aladdin Frame is our school's secure photo portfolio for sharing children's work, learning and special school events with parents/guardians. Staff take photos using the dedicated Aladdin Frame camera app. Photos go directly and securely to Aladdin and bypass the camera roll on personal devices. Photos are shared securely through the Noticeboard and Photo Gallery on the Aladdin Connect app. Photos shared with parents cannot be downloaded, shared or screenshot and are stored and processed in accordance with Irish and European data protection requirements. Photos shared will be class/group photos only, not individual photos of children. We generally share school photos to celebrate children's work, school occasions and happy/positive moments. Photos will only be shared in line with the permission given by parents/guardians.
